### Administration of Joint Programs

The Union and Company agree to establish the IAM/Boeing Joint Programs National Governing Board (Governing Board) comprised of five (5) representatives from each party. The Union representatives will include the IAM/Boeing Aerospace Coordinator, the Directing Business Representatives from District #751, #70 and #24 and the Union's Joint Programs Executive Director. The Company's representatives will include four (4) Senior Executives and the Company's Joint Programs Executive Director. Joint Programs Executive Directors will be non-voting members of the Board.
